

# Paintworks Specification NZ 315.1

**System**            **Wattyl Estapol Easy Floor**

**Substrate**        **Interior – New Timber, Parquetry and Cork**

**Category**        **Timber Flooring –Wattyl Estapol EasyFloor Clear Water Based**

**Product Features**

Wattyl Estapol EasyFloor Clear Water Based is a tough, one pack, gloss finish which has been specifically designed to beautify, protect and preserve interior timber, parquetry and cork flooring. Combing ease of application with quick drying properties, this water based floor finish enables timber and cork floors to be clear finished within a day. Wattyl Estapol EasyFloor Clear is abrasion resistant, non-yellowing formulation will resist scratching and scuffing, while highlighting the natural colour and texture of the timber. Additionally, the exceptionally low odour of this product, will ensure a more pleasant environment during application, and while drying. Wattyl Estapol EasyFloor Clear is also suitable for use on other general interior timber and cork surfaces.

**Surface Preparation – Refer to section 4 of the Wattyl Specifier Manual**

**New Timber and Cork Surfaces:**

Ensure surface to be coated is dry, free from dirt, grease or wax.

Fill all nail holes and cracks in timber with Wattyl Colourwood Woodstop Putty and allow to dry at least 30 minutes.

Sand all new timber and cork surfaces to a smooth finish and vacuum floor thoroughly to remove all dust.

**Surfaces Previously Coated with Clear Finishes:** Fill all nail holes and cracks in timber with Wattyl Colourwood Woodstop Putty and allow to dry at least 30 minutes.

Sand the entire surface thoroughly, ensuring that no gloss remains.

On aged timbers, mechanical sanding is recommended, to ensure that satisfactory adhesion is achieved.

Vacuum thoroughly to remove all dust.

Application Details	Data Sheet	Coverage m <sup>2</sup> /L	Film Thickness (microns)		Dry Times (minimum)	
			Wet	Dry	Touch	Recoat
First Coat <b>Wattyl Estapol EasyFloor Clear</b> <i>(equipment: brush or lambswoolpad)</i>	WA187	10-14	71-100	31-43	30 minutes	3 hours
Second Coat & Third Coats <b>Wattyl Estapol EasyFloor Clear</b> <i>(equipment: brush or lambswool pad)</i>	WA187	10-14	71-100	31-43	30 minutes	3 hours

**Recommended Uses**            For interior use only.  
Cork tiles, Particle board and parquetry flooring.  
Feature timber floors

**Additional Notes**            In cooler conditions, white streaks may be noticed during drying.  
Do not recoat until these streaks have completely disappeared.  
Floors may be subjected to light traffic 24 hours after applying the finishing coat, and will be completely cured in 72 hours

**Caution**                        Provide adequate ventilation during use.  
Application **should not** be carried out if the air temperature or the substrate temperature is below 10°C or above 35°C. The temperature must not fall below 10°C during the drying process.

**1. This information is provided with respect to the listed Wattyl products. Wattyl recommends that:**

- (a) you review the Technical Data Sheets (TDS) and Material Safety Data Sheets (MSDS) before you use or handle the product; (b) the product be used only in accordance with the information provided by Wattyl; (c) the product be transported, stored and handled in accordance with the information on the MSDS and relevant TDS; and (d) you thoroughly test the product, using the recommended application method on a sample of intended substrate, before using the product.
- The information in this technical data sheet was prepared using information gathered during product development. While Wattyl endeavours to update this information and maintain the accuracy and currency of its contents, Wattyl cannot guarantee that the information provided is wholly comprehensive.
- Wattyl recommends that you conduct such additional investigations as may be necessary to satisfy yourself of the accuracy, currency and comprehensiveness of the information on which you rely in using and handling the product. If this datasheet is greater than 3 years old at the time of reading, or if you require further information please contact your nearest Wattyl Office.
- To the full extent permitted by law, Wattyl's liability for breach of a condition or warranty implied into the contract for sale between Wattyl and you by law is limited at Wattyl's election to: (a) the replacement of the product; or (b) payment of the cost of replacing the product.
